Afterschool Tutoring Program – Grades 3-8

As a part of the state sponsored **Carolina Bridge Project**, an afterschool tutoring program is being offered to the children of this community. The material being used for this program has been purchased by the state from Edison Learning and is proven to increased test scores in reading and math.

There are 30 spots available for this program, which will run from 3 PM – 6 PM daily at 131 Benjamin Drive (across from Gateway Community Church). It will be **free for children attending Title I public schools** (e.g., Whitesville Elementary, Berkeley Intermediate, Berkeley Middle, etc.) as well as for any parent with ABC vouchers. If your child does not attend a Title I public school and you do not have ABC vouchers, but would like to privately pay for your child to attend this tutoring program, the cost will be \$50/wk.

If you are interested in enrolling your child or would like more details, please contact us by October 30, 2009.
