Elder's Speak Topic:

Grandparents Traditions

We will be talking about what songs they sung, stories they told, superstitions they followed, occupations they had and how they lived day-to-day (farming, canning, quilting, butchering, etc). Please bring photos so these can be documented into our historical archives.

We will also be discussing upcoming Tribal and Community Programs.

All drinks, ice, and paper products will be provided, so community members should bring a covered dish.
